Headphone stereo

AQ 6345

Memo recorder

- ***Voice-activated recording***
  Activates the unit's recording mechanism only when there's an audible sound source, and pauses the tape recorder when there is silence.
- ***Background noise suppression***
  Suppresses all background noise so that only your voice is picked up by the microphone.
- ***Cue/Review, Fast Forward, Rewind***
  Provides audible scanning through the tape to find a specific passage.
- ***3-Digit tape counter***
  Enables you to manually index the recorded information on a cassette very precisely.
- ***Built-in Flat Mic***
- ***Built-in speaker***
- ***Recording with LED indication***
- ***Headphone socket***
- ***Pause switch***
